## MONGOLIA...

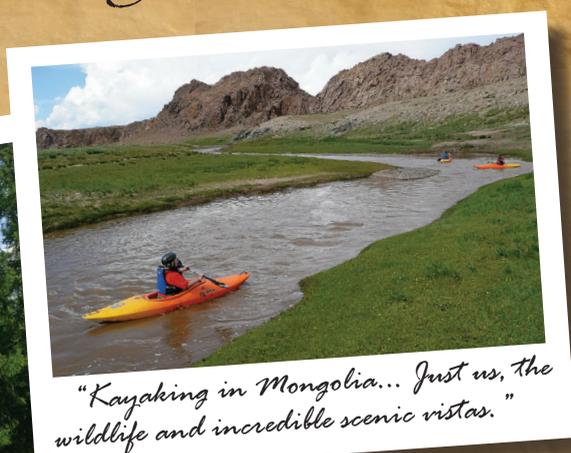

*Land of nomads, wild horses and undiscovered paradise*

Triple Dare would like to welcome you to a place of magnificent landscapes, immeasurable spaces, unique nomadic traditions and amazingly friendly people... This is all that is Mongolia!

There are few places left where there is still a sense of true adventure and where you feel you are treading on undiscovered ground. Mongolia – remote and mysterious, homeland of the greatest conqueror of all time, Chinggis Khaan; a country of rugged mountains, rolling steppes, awesome Gobi desert and Altai mountains. It is unforgettable wide-open land of extreme climate and extraordinary natural environment with breathtaking scenery, fascinating wildlife and wonderfully hospitable people. Mongolia is a land of horses and herdsman. It is one of the last great undisturbed wilderness areas on earth where 40% of 2.6 million people are some of the last truly nomadic pastoralists in the world. Adventurers can experience the unique pleasures of staying with Nomads and

daily occurrence.

Accommodations will be in Gers and tents, while mixing with Nomads and Tribes people whenever possible. Triple Dare adventurers will visit monasteries,

national parks, sacred mountains and visit numerous villages along the way. River/lake travel will enable us to fish for the many species unique to the area. The complete daily itinerary is available upon request.

Mongolia will leave you with a cleansed soul and a yearning to return to this land of unspoiled grandeur.
