MONTANA...

Land of big sky and bigger adventure

Montana, one of the premiere adventure destinations in the United States, offers authentic old West history, rodeos, horseback riding and rafting. A back country trip affords the opportunity to see elk, deer, bear, moose, eagles, osprey and beaver. There is world class fishing in remote lakes and rivers with incredible scenery to photograph. Your adventure includes a Native American festival and a cultural/historical tour. Lodging is in luxury Western lodges and includes all food.

A rafting, horseback or back country trip will provide travelers with close-up views of wildlife, pristine wilderness, ancient glaciers and more.

Each Triple Dare adventure to Montana is customized to offer accommodations under the stars or in lodges with authentic Old West history and lore, natural spas and a picturesque cowboy atmosphere.

For more than a decade, Triple Dare has organized custom horseback trips and float trips for a day, overnight and up to two weeks.
