FISHING NICARAGUA...

Some of the best the world has to offer

Triple Dare has discovered an incredible fishing destination in Southwest Nicaragua on the Pacific coast approximately 50 miles north of Costa Rica. The fishing is comparable to that of Costa Rica, but the prices are much more desirable and the setting for this adventure is spectacular.

Pick-up for fishing is only 150 meters from your private condominium. There are five private beaches for relaxation, jungle hiking trails, horseback riding stables, snorkeling, deep sea fishing and surfing.

The gated, exclusive retreat is situated on 2,700 acres of rolling geography with pristine jungle foliage. There is an excellent restaurant, bar and pool within a short walk from the luxurious beach front condominium where guests reside.

Nicaragua offers some of the most exciting fishing in the world!

The residence is located on the main beach within a five minute walk to a gym and massage studio.

This package includes pick-up and drop-off at the airport in Managua and the use of a 4 x 4 vehicle with driver during your entire stay.

Your driver can take you throughout the resort and to the local Hamlets to sample the excellent cuisine and unspoiled local culture.

This is sure to be the most unforgettable fishing trip you have ever experienced.

Come enjoy the culture and cuisine of Nicaragua while fishing some of the
